

A CITIZEN PLAYER IN HEALTH TRANSITION

Allié SANTÉ mobilizes a network of citizens, patients, caregivers, leaders and entrepreneurs to innovate and contribute to the transformation of health practices in our living areas.

OUR VISION ? AN ALLIANCE OF " AND "

➤ to promote integrative medicine and global health, accessible to all.

➤ to facilitate the emergence of an "art of care" fully respectful of the human being, the environment and the economy.

YOU SHARE THIS VISION ? LET'S JOIN TOGETHER !

Within the network, you can :

- Express your integrative vision and needs
- Share your integrative experiences
- Become an ambassador for integrative health
- Support health professionals and other committed actors
- Stay informed about the evolution of integrative health in France and beyond, etc.
